

## How to reach KNH by public transportation

The KNH office is located just opposite of the Tramway Station “Sittardsberg” of Tram Line U79. This line runs from Duisburg Central Station to Düsseldorf Central Station.

The ride from Duisburg Central Station takes about 20 Minutes and from Düsseldorf Central Station 45 minutes.

Visitors should take the train to Duisburg Central Station and change to Tram U79 there. The Platform for the Trams in Duisburg is in the basement of the Central Station. You have to go to the very end of the train platforms to reach the stairs which bring you to the tram platform. Take Tram U79 towards Düsseldorf Hbf, Düsseldorf-Bilk or Duisburg – Kesselsberg.

If the Train Ticket is issued for „Duisburg-City“ no extra ticket is needed for the Tram. If not, one has to get a ticket for price level „A“.
